

## WATER TEST FORM

1. Please print off the Water Sample Form and complete in full
2. Provide a 500ml water sample in a **recyclable** plastic container  
**- DO NOT BRING YOUR REUSABLE BOTTLE**  
- Please do not use chemical bottles, juice or glass jars (previous ingredients may contaminant a sample)
3. Attach your Water sample Form to your sample bottle via tape or elastic.
4. Drop your sample off in the bin located outside the front door
5. Results will be emailed to you within 24hrs.

<b>CUSTOMER NAME:</b>	
<b>ADDRESS:</b>	
<b>PHONE NUMBER:</b>	
<b>EMAIL ADDRESS:</b>	
<b>POOL OR SPA?:</b>	

Has your pool been circulating for the last 48 hours?  YES  
For hot tubs - is this a fresh fill?  YES

**PLEASE TELL US OF ANY WATER ISSUES OR  
THE REASON YOU ARE BRINGING IN THE SAMPLE BELOW:**

How green? How Cloudy? Etc.

**Due to the extra steps needed at this time, please limit the water tests to  
POOL OPENINGS, HOT TUB FRESH FILLS, & PROBLEMATIC ISSUES  
For typical weekly checking, please use your test strips at home.**
